Dear Hal,

Thanks mucho for all the advice. Actually I'll be staying with my sister who lives in Wash. But I'll come up your way for a few days so we can meet and talk and talk and talk (without taking away your valuable time). I do think the bus sounds best afterall. And commuting won't be necessary for the reason I've mentioned. I think I won't be there until the first week or so in Jan. If it happens I'm delayed in NY and still there when you arrive you can reach me by calling Mrs. Dion O'Wyatt at 874-2321 or Mrs. Florence Daniels at 988-8296.

See you soon.

Best, Peace

Going to San Fran first. K's sister lives there. Others.

J P - please phone & give them my schedule for Jan.
